### **Subscription Increase for *Sobornost: Incorporating Eastern Churches Review***

Dear Member,

Regrettably, due to rising printing and postage costs, an increase in the price of subscriptions can no longer be avoided, beginning 01/01/2010. The new costs (now divided according to residency in UK/Europe or USA/rest of world) are as follows:

#### **UK & Europe:**

**Full individual member: £25 p.a.**  
**Concessionary member: £15 p.a.**  
**Libraries/Institutions: £30 p.a.**

#### **USA & rest of world:**

**Full individual member: £30 p.a.**  
**Concessionary member: £20 p.a.**  
**Libraries/Institutions: £35 p.a.**

**The Reduced/Newsletter Only subscription of £5 p.a. remains the same.**

Payments by Banker's Standing Order (for UK account holders) or PayPal (via our website, especially for international members) are particularly welcome, though we also accept £stg cheques. A new Banker's Standing Order is attached. If you have a UK bank account we would be grateful if you could fill this out with the appropriate amount and return it to us.

**Doing this will cancel any previous standing order you have with that bank in our favour.**

**PayPal Subscribers, Please Note: Because of PayPal's system limitations, new subscriptions must be taken out, and existing subscriptions must be cancelled.**

If a new subscription is taken out, we will be able to cancel the old one ourselves.

Again we apologise for these necessary measures, but please bear in mind that the prices remain extremely modest when compared with subscription rates for similar academic journals. We are most grateful for your co-operation, and your continued prayers and support for the Fellowship.

In Christ,

*Stephen Platt*
